Project Screenshots:

Login Page:

The screenshot shows a web browser window with the address bar displaying "https://localhost:44347/Login". The page features a central white card titled "Ecommerce Login". Inside the card, there are two input fields: "Username:" with the value "sidd" and "Password:" with masked characters "...". Below these fields is a blue "Login" button. At the bottom of the card, there is a link "New user? Register". The browser's taskbar at the bottom shows various application icons and the system clock indicating 11:42 PM on 8/28/2024.

## Admin Page:

The screenshot shows a web browser window with the title 'Manage Products' and the URL 'https://localhost:44347/Products'. The page is titled 'Product Management'. It contains a form with the following fields: 'Product Name' (with the value 'Oneplus 8T'), 'Price' (with the value '40000'), and 'Quantity' (with the value '23'). Below these fields is a blue 'Add Product' button. There is also a 'Search Product:' section with a text input field and a 'Search' button. At the bottom, there is a table with the following data:

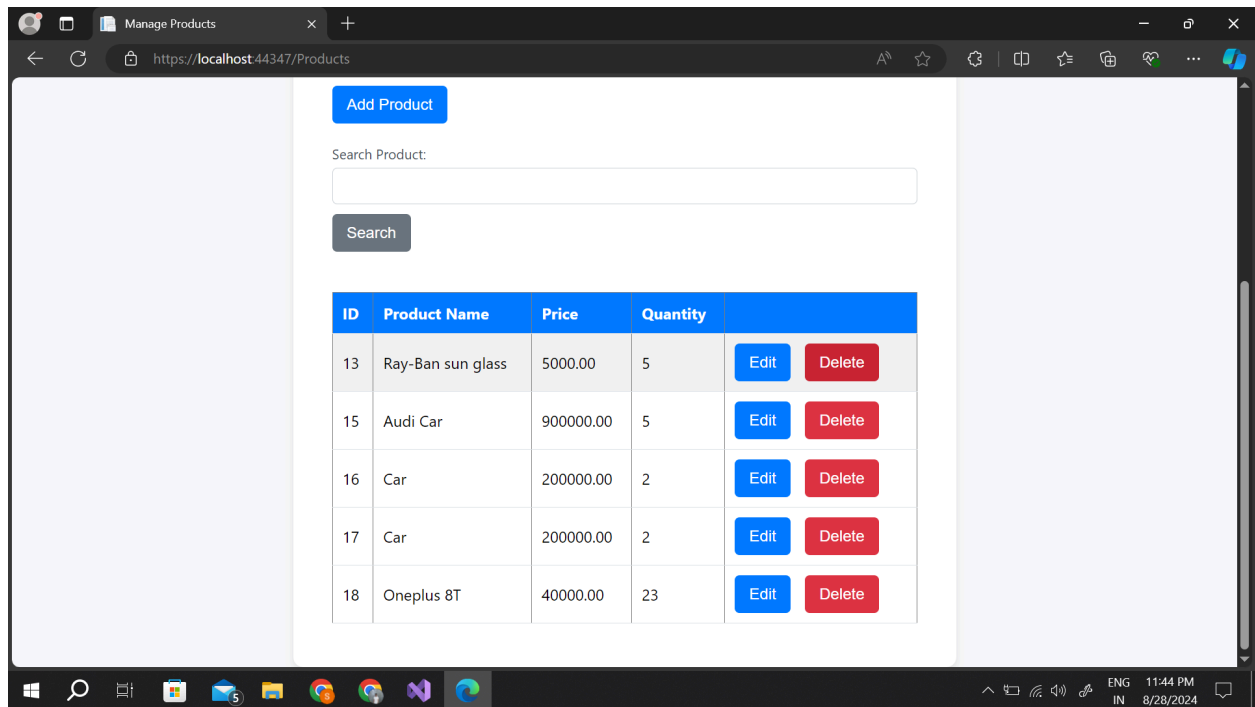

ID	Product Name	Price	Quantity	
12	home theatre	100000.00	10	<a href="#">Edit</a> <a href="#">Delete</a>

## Search:

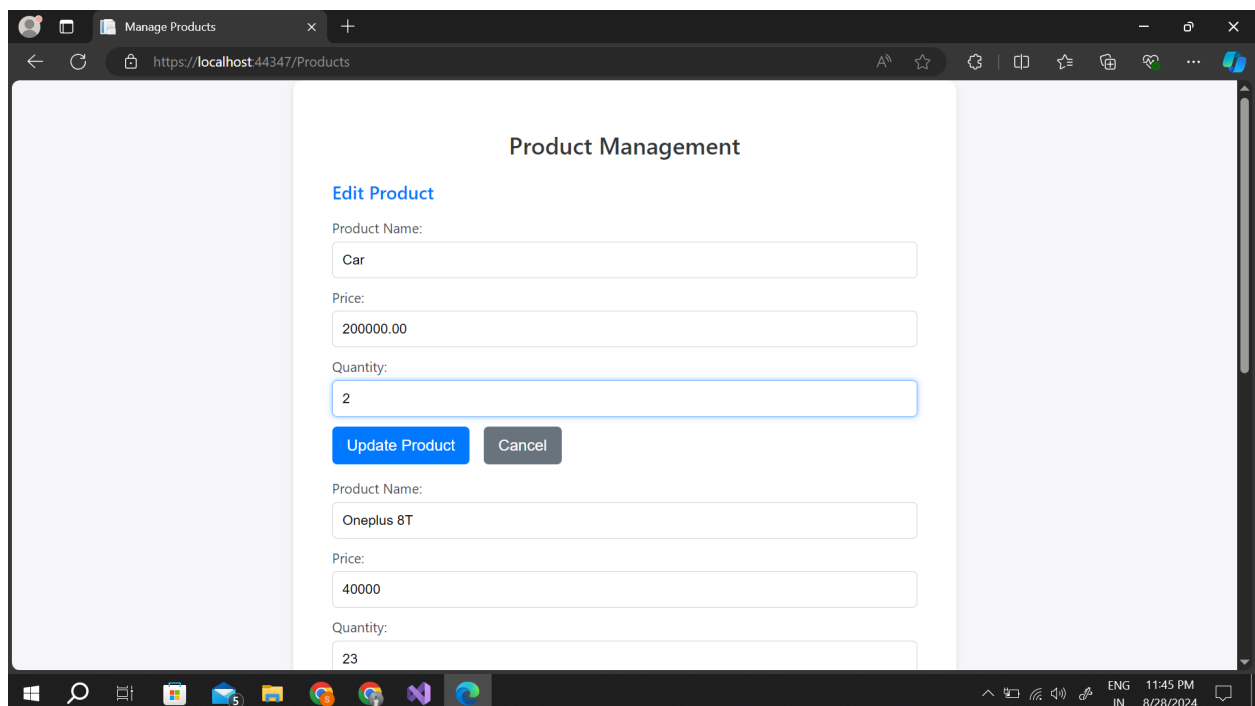

The screenshot shows the same web browser window, but the 'Search Product:' input field now contains the value 'car'. The 'Add Product' button is still present. The table below shows the search results:

ID	Product Name	Price	Quantity	
15	Audi Car	900000.00	5	<a href="#">Edit</a> <a href="#">Delete</a>
16	Car	200000.00	2	<a href="#">Edit</a> <a href="#">Delete</a>
17	Car	200000.00	2	<a href="#">Edit</a> <a href="#">Delete</a>
